Dear Pig Producer,

This year marks the 110th Show of the South Burnett National Show Society (Kingaroy). In 2017 the SBNSW wish's to acknowledge and highlight all areas of the rural industry and at our show especially The Pork Industry.

We are asking for your support in this section of the Show to promote the pork industry. Please support our Pork and Bacon Carcase section at this year's show so it can be recognised as one of the Major Rural Industries throughout the South Burnett.

In addition to the Pork and Bacon Carcass competition, this year there will be a presentation evening held on Thursday 4th May. The Dinner and Presentation Night is open to all competitors and their families and will be held at Cassis on Boobie Restaurant.

Yours sincerely

Greg Marr
